

Show Entry Form

Entries close at midnight, the Tuesday before each show.

No refunds after this date.

Late entries will incur a \$25 late fee and will run last on used cattle.

Please complete a separate entry form for each day (each day is a separate show) and for each horse & rider combination.

After this form is submitted, we will send an email (within 24 hours) with the amount owing for the weekend and to confirm your entries.

Entry fees must be paid before entering the show ring.

Scratched entries: Once a competitor has made a show entry, they are responsible for the cattle charge, whether they show or not. This charge is to be paid before they can compete again.

Questions about entries and completed entry forms can be sent to crocuscowhorse@gmail.com
